

Retraction Notice for “Silica Removal of Oil Palm Empty Fruit Bunch Fiber”. International Journal of Technology, Volume 15 Issue 2, pages 321-331, published on February 5, 2024.

After careful review and following detailed discussions with all authors, it has come to our attention that the article titled " Silica Removal of Oil Palm Empty Fruit Bunch Fiber" published on February 5, 2024, in Volume 15, Issue 2, pages 321-331, has been determined that a significant portion of the work infringes upon the intellectual property of another entity. Specifically, the article contained material for which appropriate permission had not been obtained by the authors from the rightful holder. This event was not identified during peer review process.

Consequently, in respect of the intellectual property rights and to comply with legal and ethical standards, we have made the decision to retract the aforementioned article from our journal. This retraction is meant to correct the record and ensure the respect of intellectual property rights.
